

ALL-BAND Emergency Radio with Bluetooth 5 Sources of Power

ODYSSEY

ALL YOU NEED IN ANY EMERGENCY

A multifunction alert radio that is rugged, rechargeable, and reliable! Not to mention solar-powered, splashproof, smart phone & tablet charging with bluetooth streaming.

The ODYSSEY is just the ticket. With five sources of power including a rechargeable lithium battery, alkaline batteries, solar panel charging and hand crank power generator. It's an essential tool for every emergency kit at home, at work, or in the great outdoors.

EXPERIENCE THE NEXT LEVEL OF RADIO RECEPTION WITH DAB+ TECHNOLOGY

Enjoy crystal-clear sound, enhanced audio quality, and a vast array of radio stations at your fingertips. Say goodbye to static and interference, as DAB+ provides a seamless listening experience, even while on the move. With its digital transmission, DAB+ unlocks a world of convenience, offering text information, song titles, artist names, and news updates right on your radio screen. Discover a new dimension of radio broadcasting with DAB+ and immerse yourself in a richer, more engaging audio landscape. Revolutionize your radio experience.

**4 MINS OF CRANKING
= 10-15 MINS***

*of music, weather, and news
*depends on radio volume**

5 SOURCES OF POWER

The ODYSSEY powers up in 5 fabulous ways: via solar panel, hand crank, built-in rechargeable lithium battery, alkaline batteries and USB-C direct current.

ALL-BAND Emergency Radio with Bluetooth

5 Sources of Power

LISTEN UP

Stay in tune and up to date with this ALL-BAND digital radio with display and alarm clock. If you want more than just the radio, it's Bluetooth ready and has AUX-IN to play your own tunes or listen to your favorite podcast. Whenever you want to listen alone, just plug in your favorite headphones to the standard mini jack.

ALL-POWERFULL

The built-in solar panel will charge the battery fully in 10-12 hours. Looking for alternative sources of energy? Crank the hand turbine for four minutes and you'll produce enough power for 10-15 minutes of music, news, and weather or one minute of talk time. You can also use the USB-C cable to plug-in to charge the ODYSSEY'S built in rechargeable battery or install 3 AAA alkaline batteries for instant power.

- DC Power input via included USB-C Cable
- Glow-In-The-Dark Locator
- AUX-IN Jack
- Headphone Jack
- Alarm Clock
- DAB+
- AM/FM/SW/WB Coverage

SAY HELLO

To charge your smartphone or tablet, simply plug into the 5V/2.1A output USB port. Power will automatically "dump charge" to your device just like plugging into the wall. The ODYSSEY will provide charge to most smartphones.

LIGHT THE NIGHT

Shine the bright LED flashlight to find your way. Use the glow-in-the-dark locator and illuminated buttons when you're in the dark. For big-time emergencies, flash the red emergency beacon.

WEATHER OR NOT

The ODYSSEY is splashproof so neither sleet nor snow nor rain will hamper its performance. Ideal for camping trips or river expeditions.
